Go shine in the world and live as Jesus lived!

Dear Parents and Carers,
Thank-you very much for the amazing creativity and hard work you have showed in helping your child to dress up as a word this week:) Please ask your child which new words they have learnt this week.
Best wishes,
Mrs Smith (Head of School) and Ms Richardson (Executive Headteacher)

Word Aware Day

Yesterday the children and staff at St Eugene's took part in 'Word Aware Day'. We enjoyed celebrating a wealth of English vocabulary and introduced more than 200 words to the children. We had a special assembly and played word games. Dressing as a word makes it memorable for all :)

Delight (Mimi Y5)

Boom! (Reva Y1)

A base drum goes, boom! It is a loud sound.

Dishevelled (Edouard Y5)

Our chicks hatched last week... Year 2 are learning about life cycles and new life. They waited very patiently and watched the eggs hatch. The children have been really caring and gentle with them. They have been in our indoor club this week so that other children can get to know them too:)

I have received and read the St. Eugene's Catholic Primary School newsletter of 8.3.24

Can you help with the PTFA disco? If you have any items to donate for our famous raffle please pop them into the office. All donations whether items or vouchers are very welcome. Do you have a skill that you can donate e.g. cake maker, hairdresser, photographer? Perhaps the company you work for would like to donate? Our PTFA are a registered charity.

If you would like to help by running a stall or selling raffle tickets please let the Chair of the PTFA know, Claire Chevailler. You can contact her via the school office. Many hands make light work and the more volunteers we have to help run this event, the better for all involved.

Tickets will be on sale in the office from Tuesday next week. Tickets for this event are limited to comply with fire safety regulations. Children will not be admitted without a supervising adult.

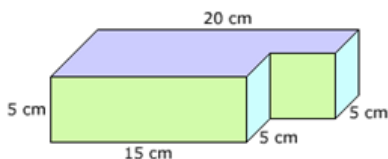

Work of the week...

Every week a fantastic piece of children's work is showcased in the school lobby (next to the office). Do come and take a look.

Amen (Year 6) has done some brilliant maths work this week. She has been carefully calculating the volume of cuboids, cubes and composite shapes. She has worked systematically and used formulas to help with her mathematical thinking.

Well done Amen!

Our prayer...

We are on our Lenten journey

Lord,

Help us to pray. Help us to hear your loving voice in our lives. Help me to grow closer to you.

Help me to hear your voice in my life. May your words be on my lips and in my heart.

Amen.

Good attendance is very important for your child's attainment and progress.

Each week the class with the very best attendance are celebrated in our assembly.

This week our attendance champions were Year 4 class with 97%.

Well done Year 4!

We hope that you found the Superzone information useful on Academic Review Day. We are very pleased that St Eugene's was chosen to take part in this project. Our children have had two workshops so far this year and this work fits in so well with our Looking After Our World studies. We think that it is important that children learn how to look after our world in a way that makes sense to them.
