

What have we been learning?

Week beginning: 18th December 2023

In RE this week we have been continuing to learn about Advent and that it means waiting for Christmas. We have learned that a candle is lit every Sunday and that the white candle is lit on Christmas day. We have created our own beautiful advent wreaths :)

We have been acting out the nativity story this week, remembering that Christmas is such a special day because it is the day that Jesus was born.

How can you help your child with their learning?

- Please continue to read with your child every day over the Christmas holidays, it is the most important thing you can do to help them with their learning.
- Thank you very much for your kind Christmas wishes and gifts :) We hope you have a lovely Christmas with your families.
