

What have we been learning?

Week beginning: 11th December 2023

Here are some photos from our trip to Willow's Farm. We had so much fun! We went on a tractor ride through the woods, played in the woodland play areas, petted the farmyard animals, met Santa, and we even got to choose our own presents!

On Thursday we had our Christmas party with Year 1 and Year 2. We played lots of games, did lots of dancing, and ate lots of party food! Here are some pictures from our party!

How can you help your child with their learning?

- Talk about Advent and Christmas with your child. How do you prepare for Christmas? How does it feel waiting for Christmas? Ask them about Advent wreaths, can they find any around? E.g. at church, on doors, in shops.
- Please read your child's sound blending books with them every day. Help them to blend the sounds together to make the word. Reading is the most important thing you can do to help your child's learning.
