

What have we been learning?

Week beginning: 4th December 2023

We had so much fun being twinkling stars in the nativity. We hope you enjoyed the show :)

We read the story 'Rama and Sita', and the learned about the Hindu festival of Diwali. We discussed why people light lamps to celebrate, as Diwali is the festival of light. We acted out the story and made our own Rangoli patterns using bright colours.

Attached to this newsletter is a poster from Camden Kids Talk. You can scan the QR code to look at resources to support your child with their communication. They are also putting on local drop-in play sessions.

Communication with children and babies is **essential to their relationships and development**. Good communication involves listening and talking in ways that make children feel important and valued. Communicating well with children helps them develop skills for communicating with others.

How can you help your child with their learning?

- Talk about Advent and Christmas with your child. How do you prepare for Christmas? How does it feel waiting for Christmas? Ask them about Advent wreaths, can they find any around? E.g. at church, on doors, in shops.
