Go shine in the world and live as Jesus lived!

Dear Parents and Carers,
Please ensure that your child is not bringing things into school that are not allowed. Some children are bringing in toys, jewellery, money and other items that are not allowed in school. This wastes valuable teacher time to sort out what belongs to whom and is a temptation and distraction to other children, who then may want to bring things in of their own. Your child is allowed to bring in their reading books, reading record, spectacles and their snack to school in their bag. They do not need to bring in pens/pencils etc as these are provided by the school. Thank-you for your help with this.

We look forward to seeing you this evening, if you are coming to our PTFA Family Fancy Dress Disco. With best wishes, Mrs Smith (Head of School) and Ms Richardson (Executive Headteacher)

As part of our design and technology curriculum Year 2 children made moving pictures. They designed, made and evaluated their brilliant moving pictures showing our school values of **excellence** and **determination**. Perhaps we have some designers and engineers of the future in this class, well done Year 2!

Visits and Visitors You will have received a letter about trips and visitors in your child's book bag this week. We enrich the children's learning by planning educational visits out, visitors to school and workshops for every class. We know that London is our classroom Do have a look on the whole school curriculum map on the school website under the "Our Curriculum" section to look at the planned visits and visitors for the year. It would help our school if you have made this payment by Friday 24th November 2023. Please call the school office if you have any questions or need help with Parentpay. Thank-you for your help with this.

Thank-you very much for your donations and sponsor money from Healthy Heart Day. It was a day of fun and learning. We hope that the children have learnt how much fun keeping fit can be and how important a healthy diet and lifestyle are in helping themselves to grow up happily and healthily and paly a part in enabling the children to have an interesting and long life.

Every donation, however small is much appreciated. We raised £2,028! A special thank-you to some children's families who donated more than £50 pounds!:

- Tate Y6
 - Gabriella Y5
 - Alissa Y5

Our prayer...

October is the month of the Holy Rosary.

Hail Mary, full of grace. The Lord is with thee. Blessed art thou among women, and blessed is the fruit of thy womb, Jesus. Holy Mary, Mother of God, pray for us sinners, now and at the hour of our death. Amen.

Please pray the Hail Mary or say the rosary with your child at home this month.

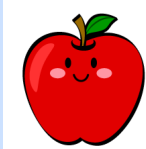

Good attendance is very important for your child's attainment and progress.

Each week the class with the very best attendance are celebrated in our assembly. This week our attendance champions were Year 5 class with 100%.

Well done Year 5!

Snacks at morning break time...

Please remember that, as a healthy school, we do not allow children to bring chocolate, crisps, any foods containing nuts or fizzy drinks.

Children may bring in fruit, vegetables, a plain biscuit or a cereal bar for their morning snack. Children in Reception class, Year 1 and Year 2 are offered a fruit or vegetable every day as a healthy snack in school.

A reminder that snacks containing nuts or nut products are not allowed in school.

Work of the week...

Every week a fantastic piece of children's work is showcased in the school lobby (next to the office). Do come and take a look.

This week Delina (Year2) has written a brilliant story all about the day that a tiger visited St Eugene's! She was inspired by: "The Tiger Who Came to Tea" by Judith Kerr. Delina has used a range of interesting adjectives to describe the tiger and his cheeky antics. Delina has shown the value of excellence in her writing this week.

Well done and thank you Delina for sharing your wonderful writing!

Person of the Week!

Well done to these children for showing how we live our school values!
