

What have we been learning?

Week beginning: 18th September 2023

We have been having lots of fun getting to know each other and settling into our new school. We have been busy getting used to new routines and learning our Golden Rules. Here are some pictures of the fun things we have been doing during choosing time.

How can you help your child with their learning?

- Practise saying and reading numbers 1-20 and try counting small groups of objects.
- Help your child to practise writing their name. Make sure they begin with a capital letter, but all other letters are lower case.
- Please read with your child every day. Reading for just 15 minutes each day is the single most important thing you can do to help your child's learning. Your child will bring home new reading books every week.
- We are having 'Healthy Heart Day' on Wednesday 27th September. We will send home your child's PE kit on Tuesday, please bring your child to school in their PE kit on Wednesday. It can then be left at school until half term :)
