

What have we been learning?

Week beginning: 25th March 2024

This week in RE we have been learning about the Easter story. We have learned all about the Last Supper, Good Friday, and Easter Sunday. We have made some beautiful artwork to remember that Jesus died on the cross because he loves us.

We have been enjoying watching our cress plants grow over the last couple of weeks. They have grown a lot! We discussed what we can now do with our cress plants. We remembered that as cress is a vegetable, we can eat it in a sandwich or continue to keep them in our pots for a little while at home :)

How can you help your child with their learning?

- Please keep reading with your child or at least 15 minutes a day over the Easter holidays, it is the most important thing you can do to help their development.
- Speak to your child about Easter, and why it is the most important of the Christian holidays as it was the day that Jesus rose again. Speak to them about why we have Easter eggs which reminds us that Easter is a time for new life. We wish you all a happy and Holy Easter :)
