Go shine in the world and live as Jesus lived!

Dear Parents and Carers,

Our school gates are open at 8.40am. Please bring your child to school before 9am. Children who come in late can be embarrassed to come into class and they miss important explanations from their teacher. They then struggle to catch up with the learning. We monitor punctuality closely, for this reason. Please help your child to have a calm and productive start to their day. Thank-you for your help.

Best wishes, Mrs Smith (Head of School) and Ms Richardson (Executive Headteacher)

School Uniform...The children in St Eugene's always look very smart. It is a good opportunity at the beginning of a new year to check that your child has the correct uniform. A reminder that children should not be wearing jewellery to school. Small stud earrings are allowed and an inexpensive watch from Year 3 to Year 6 (not digital). Children are asked to remove their watch to take part in P.E. lessons. Come and speak to Miss Gayle or Miss Jess in the office if you have any queries about uniform. **Go to the school website—information for parents—school uniform— for details.**

Thank-you very much Tarisai and Arthur for modelling the correct St Eugene's uniform for us.

What is my child learning this term?

We know that you are the first and most important teacher for your child. Last week you received your parent information leaflet, which tells you what your child will be learning this term and this week the RE curriculum leaflet. The leaflets can also be found on our school website. We hope that you find this information useful. You will have a scheduled appointment to meet the teacher on Academic Review Day, **Friday 28th February**, when you will receive a mid-year report and have the chance to have a discussion about your child's learning. You will have a letter with your appointment time nearer the date. Do make a note of this date in your diary and in the meantime pop into the office and ask for an appointment to meet the teacher if you have any questions about what your child is learning this term or how you can help them.

I have received and read the St. Eugene's Catholic Primary School newsletter of 17.1.2025

We listened to the Gospel of Luke.
Jesus was baptized.

Lord,

You told us that Jesus was your beloved son, as he was baptised in the river Jordan.

Help us to remember that we are also your beloved children. You know us by name and love us very much.

We follow in Jesus footsteps and try to be like him.

Amen

Living Wall...as part of our Superzone work, we are now pleased to have a living wall in the Reception playground. The Reception children are very excited! The idea is to reduce noise and air pollutants, to improve biodiversity and create a greener play environment. We are an inner city school and want to do what we can to improve our surroundings in practical and beautiful ways.

We love our living wall. We are going to look after it. Soon we will be looking out for bugs and butterflies.

Work of the week...

Every week a fantastic piece of children's work is showcased in the school lobby (next to the office).

Do come and take a look:)

Tarisai in Year 5 has written a detailed comparison of what life was like for rich and poor people living in London in the Victorian era.

Tarisai also completed a venn diagram to show the differences and similarities the people's lives.

She also annotated a drawing depicting what life was like living in a London slum. Well done Tarisai for showing such a thorough understanding of Victorian life!

Good attendance is very important for your child's attainment and progress.

Each week the class with the very best attendance are celebrated in our assembly.

This week our attendance champions were Year 2 class with 98%.

Well done Year 2!

Person of the Week!

Well done to these children for showing how we live our school values!
