

What have we been learning?

Week beginning: 23rd February 2026

We had a lovely time at the London Aquarium on Wednesday :) here are some of our pictures. We saw sharks, turtles, crocodiles, penguins, jellyfish and many different species of fish! Thank you very much to the parents who supported on this trip.

How can you help your child with their learning?

- Please use the flashcards given to help your child learn the 45 High Frequency Words, which make up 25% of all books! You should now have a complete pack of 45 words. If you are missing any flashcards, please see Miss Craig :)
