

# What have we been learning?

Week beginning: 6th January 2025

We have had lots of fun on our first week back! We have been looking back over our Golden Rules, and having fun with our friends. On Friday we went to church to look at the crib, and learn about 'The Epiphany', which is a special date in the Christmas story. It's when people celebrate how a star led the Three Kings to visit the baby Jesus after he had been born.

Our new topic for this half term is 'Underwater'. We started our topic by learning about why water is so important. We went on a water hunt around school to look at all of the reasons we need water in everyday life.

We need water to wash our hands.

We need water to keep plants alive.

We need water to wash our clothes.

We need water to drink to keep us healthy.

## How can you help your child with their learning?

- Do keep reading with your child at home and signing their reading record, reading is the best way to help your child's development. Please use the flashcards in their homework pack to help them learn the 45 High Frequency Words, which make up 25% of all books! If you are missing any flashcards, please see Miss Craig :)
- Our new topic in RE is 'celebrating'. Talk to your child about occasions that they have celebrated e.g. birthdays, baptisms, anniversaries, weddings, New Year's Eve, etc.
