

What have we been learning?

Week beginning: 16th December 2024

In RE this week we have been continuing to learn about Advent and that it means waiting for Christmas. We have learned that a candle is lit every Sunday and that the white candle is lit on Christmas day. We have created our own beautiful advent wreaths :)

On Tuesday we had our Christmas party with Year 1 and Year 2. We played lots of games, did lots of dancing, and ate lots of party food! Here are some pictures from our party!

How can you help your child with their learning?

- Please continue to read with your child every day over the Christmas holidays, it is the most important thing you can do to help them with their learning.
- Thank you very much for your kind Christmas wishes and gifts :) We hope you have a lovely Christmas with your families.
