

What have we been learning?

Week beginning: 2nd December 2024

Here are some photos from our trip to Willow's Farm. We had so much fun! We went on a tractor ride through the woods, played in the woodland play area, went to a show, fed the farmyard animals (and saw real reindeer!), met Santa, and we even got to choose our own presents!. Thank you to all parents that helped on this trip, we had a lovely day.

How can you help your child with their learning?

- There are some flashcards in the homework pack – cut them up and use them at home to help practise the high frequency words (these are the words which appear most often in books). Your child needs to be able to read them, spell them and use them in a sentence . Knowing these words by sight enables your child to know 25% of words in all books. Reading is the most important thing you can do to help your child's learning. Thank you for your help with this :)
