Go shine in the world and live as Jesus lived!

Dear Parents and Carers,

Our SATs results are the best in Camden this year, we are very pleased to share them with you. Please see below.

With best wishes, Mrs Smith (Head of School) and Ms Richardson (Executive Headteacher)

Year 6 SATs Results July 2026... Although SATs do not test the whole child, the core of who they are, Year 6 outcomes are a good indicator of how well children will achieve in secondary school. It is an important part of our job to ensure that children leave St Eugene's being able to read, write and use maths to a high standard enabling them to access the curriculum at secondary school. We take this job very seriously. We are delighted to let you know that the children in Year 6 did exceptionally well in their tests. This was due to the children's hard work, parental support and the really good teaching from our teachers across the school.

A special thank-you and a shiny head teacher sticker to Mr Rodney, the Year 6 teacher :)

Being smart at St Eugene's...

Long hair tied back

Red cardigan or jumper with logo

Grey skirt, trousers or pinafore

White, black or grey socks or tights

Jewellery is not allowed in school. Children may wear small stud earrings and an inexpensive analogue watch is allowed for children in Year 3 to Year 6 so that they can learn to tell the time.

When our children are in correct school uniform they look very smart. Help the school by ensuring that your child comes to school everyday proudly wearing the correct St Eugene's school uniform or PE kit.

White polo shirt with logo

Grey school trousers (not track suit bottoms)

Black school shoes or plain black trainers

Thank-you Dallas and Arlo (Y2) for modelling the correct uniform for us:)

Whilst the weather is still warm enough, summer dresses and shorts are still allowed.

Come and speak to Miss Gayle in the office if you have any queries about the PE uniform or school uniform or take a look on our website.

I have received and read the St. Eugene's Catholic Primary School newsletter of 25.09.2026

Please help your child to have their say and ensure their views are heard by Government. This is a way that your child can be part of the British democratic process. The survey can be accessed here:

Work of the week...

Every week a fantastic piece of children's work is showcased in the school lobby (next to the office). Do come and take a look.

Eloise (Y3) has been chosen this week for her amazing mathematics work. Eloise has been working on comparing and ordering numbers up to 1000. She can confidently use the greater than and less than symbols. Eloise has also worked on ordering and comparing numbers in a real life context e.g. weight and money.

Well done Eloise, super maths!

Our Prayer

Autumn is a wonderful time. We watch the light change and the leaves fall.

Father and Creator,

It is Autumn again and the days grow shorter and the nights grow longer.

The leaves turn to gold and red and orange. We thank you for the gifts of Autumn.

Your world is a wonderful and beautiful place, full of variety, full of wonder, full of life!

Help us to take care of it. **Amen.**

If you have a child in Year 6, please note that the deadline for applications is 31st October.

Many Secondary Schools have open evenings at the moment. Please visit as many as you can.

If you have a child in **Year 6** and are applying to a Catholic Secondary School for them, Catholic Certificate of Practice forms can be signed in the Parish Office.
