Go shine in
the world
and live as
Jesus lived!

Dear Parents and Carers,

We are looking forward to seeing you at our Family Fancy Dress disco this evening :)

With best wishes, Mrs Smith (Head of School) and Ms Richardson (Executive Headteacher)

Year 2 History Great Fire of London Workshop

The Year 2 children had a very enjoyable day imagining they were back in London in 1666! Thank-you very much to the parents and carers who helped us to run the different parts of the workshop. The children learnt to sew, bake bread, make candles, metal work and how a barber surgeon healed people who were sick in 1666. Please ask your child what they learnt about London's Great Fire, how it started and why it spread so quickly. The children learnt that we know about the fire because of historical writings from people of the time, like Samuel Pepys. Workshops like this one bring history to life and make it memorable and enjoyable for children.

Year 3 Stone Age Workshop

Year 3 children had a visit from Eye, a Stone Age Man. They learnt that bows and arrows were very useful for hunting animals like deer, rabbits, birds and wild pigs in England. They learnt that people drew about their world, telling stories of their lives with cave pictures. The children made their own with chalks and charcoal. Some cave paintings and artefacts survive today to help us understand this period of prehistory.

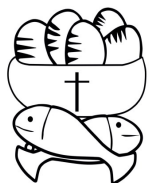

Do you have any questions about school life?

We are always really happy to answer any questions about school, no matter how small :)

Do pop in to the school office to ask questions or ask your child's class teacher.

If you are worried about something, see us straight away.

Don't let a little worry turn in to a big one.

I have received and read the St. Eugene's Catholic Primary School newsletter of 16.10.2026

Our Prayer

*Ever Giving Lord,
In this season of mists
and mellow fruitfulness,
we thank you for your
bounty.*

*We thank you for the
wonderful world you
have made; for your beautiful creation.
We see you in the beauty of the ever changing
autumn.*

*In the season of harvest, we thank
those who grow our food and those
that make our food.*

*We pray for those who do not have
enough to eat.*

Help us to continue to be generous to others.

Amen

**Thank-you for your kind and generous
donations for the church foodbank last week.**

Good attendance is very important for your child's attainment and progress.

Each week the class with the very best
attendance are celebrated in our assembly.
This week our attendance champions
were: **Year 1** with 98%.

Well done Year 1!

Work of the week...

Every week a
fantastic piece of
children's work is
showcased in the
school lobby
(next to the of-
fice).

Do come and
take a look.

Markan's history
work has been
chosen this week
(Y4). Markan
has learnt and
written about Hippocrates, Archimedes and Socrates.
She has explained why these figures from Ancient
Greece are famous: their thoughts and scientific
theories and ideas. These important thinkers' ideas
were important at the time, but we can also learn from
them today. E.g. Hippocrates moral code for doctors,
part of which is: "First do no harm," is just as relevant
to doctors today as it was in 450BC.

Well done Markan, super history!

Person of the Week!

Well done to these children for showing how we live
our school values!
