Go shine in the world and live as Jesus lived!

Dear Parents and Carers,

We hope that you have had a lovely summer. It has been great to see the children back in school this week, they are already working hard and learning well. We look forward to welcoming the new children to our Reception class next week.

Next Friday is Academic Review Day. Please send your reply slip back to the office as soon as you can. This is your opportunity to meet your child's new teacher for this academic year. We hope that you find it useful.

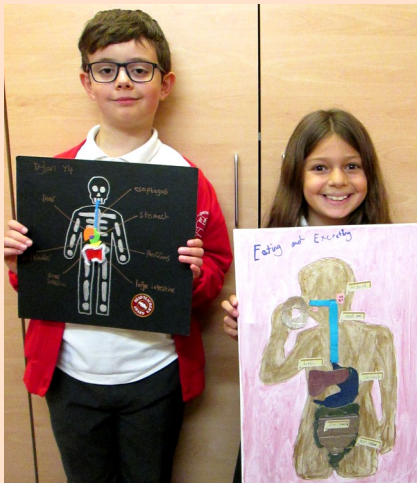

Best wishes,

Mrs Smith (Head of School) and Ms Richardson (Executive Headteacher)

## Holiday Homework

Thank-you and well done to all of the children who worked hard on their holiday homework this summer. What a skilful, hardworking and creative bunch you are! We also know that many parents will have shown their own talents and hard work in helping with these projects, thank-you and well done!

The children have shown our values of **determination** and **excellence** in this wonderful science work.

I have received and read the St. Eugene's Catholic Primary School newsletter of 6.9.2024

Name of child \_\_\_\_\_ Class \_\_\_\_\_

please return this slip to school office and your child might win a prize:)

## Important dates for your diary...

## We welcome our new members of staff...

Ms Charles is our new Year 4 teacher.  
Mr Tales is our new site services officer.  
Please say hello if you see them in the playground and make them feel welcome :)

## Our prayer...

Thank you God,  
For the gift of all  
people, all cultures, all  
races, all nations.  
Thank you for your love  
for each of us.

Help us to remember that  
our differences enrich our world and our  
lives.

Be with all of us so that we may work  
together for the  
good of all people.

**Amen**

## Good attendance is very important for your child's attainment and progress.

Each week the class with the very best  
attendance are celebrated in our assembly.

**This week our attendance champions were Year  
3 class with 98%.**

**Well done Year 3!**

## Work of the week...

Every week a  
fantastic piece of  
children's work is  
showcased in the  
school lobby (next to  
the office).

Do come and take a  
look:)

Joao (Year 4) has worked very  
hard on his holiday homework.  
It is brilliant science work.  
Joao has modelled the human  
digestive system using  
Play-Doh. He has carefully  
labelled all of the different  
internal organs.

**Well done Joao,  
super science!**

## Digestive system
