

What have we been learning?

Week beginning: 8th July 2024

This week have been reading the book 'Whatever Next?'. We have been writing our own retells of the story using the words 'First, Next, Then and In the end' to sequence our stories.

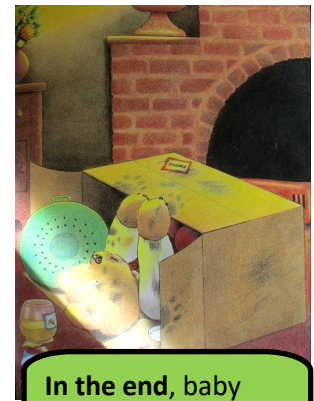

First, baby bear went to the moon.

Next, baby bear met an owl.

Then, baby bear had a picnic on the moon.

In the end, baby bear went home.

On Thursday we had our first Spanish lesson which we really enjoyed! We learned how to say hello, how are you, and goodbye.

We also learned numbers to 10 in Spanish. We will be having weekly lessons in Year 1 :)

How can you help your child with their learning?

- When you are reading a story with your child, ask them to retell the story verbally using the words **First, Next, Then** and **In the end**. You could even act it out with teddies/toys. This helps your child understand the story, and also helps them to structure the story in their head.
