

What have we been learning?

Week beginning: 1st July 2024

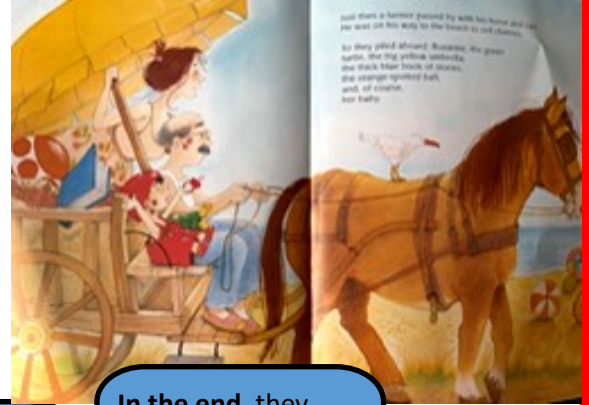

Over the last 2 weeks we have been reading the book 'How Will We Get to the Beach?'. We have been writing our own retells of the story using the words 'First, Then, and In the end' to sequence our stories.

First Roxanne tried to go in her car.

Then Roxanne tried to go on the bus.

In the end, they went to the beach on a horse and carriage.

In maths we have been learning about repeating patterns. We have been making our own patterns using at least 3 objects.

How can you help your child with their learning?

- Over the next couple of weeks we are going to be learning about maps and positional language (e.g. under, over, through, on top, behind). Talk to your child about their journey to school. How do they get to school? What transport do they use? What do they see on the way? library, park, train station, bus stop, shops etc.
